Public Portal a replay workflow

Reálné ukázky ReplayHub UI doplněné o pravidla chování ve v34.8.1.

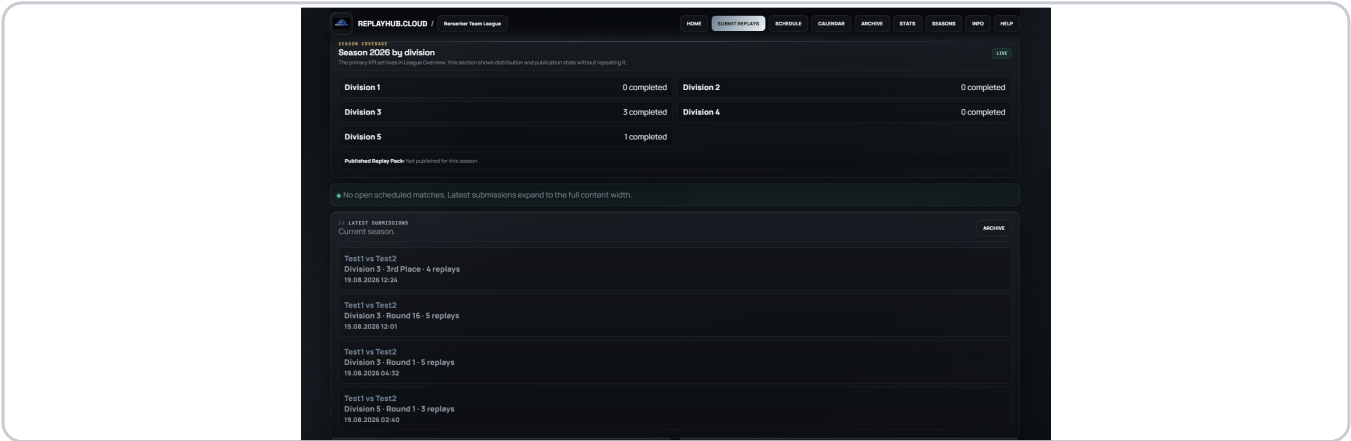

Real ReplayHub League Overview / Season Coverage UI example.

Official Schedule Mode

- ON: nový upload musí použít dostupný Official Match. Completed, Cancelled a occupied Matches se nezobrazí.
- OFF: upload je free-form; existující Schedule zůstává uložený.

Public uploads enabled

- Tento přepínač určuje, zda je upload vůbec otevřený.
- Public OFF má přednost; Public ON + Mode OFF = free-form; Public ON + Mode ON = official-only.

Captain / Co-Captain bezpečnost

Invite-first onboarding, vlastní heslo, sessions a TOTP 2FA.

#	STEP	CO TO ZNAMENÁ
1	Captain Invite	Admin/Owner vytvoří jednorázový invite pro přesný league + team + division + role slot.
2	Onboarding	Otevři invite a nastav si vlastní osobní heslo.
3	Login	Používej /captain/login. Temporary password je jen fallback pro existující/reset účty.
4	TOTP 2FA	Volitelné a doporučené. Ulož si 10 jednorázových recovery codes do bezpečí.
5	Sessions	Každé zařízení má server-side session; lze revoke jedno zařízení nebo všechna ostatní.

Correction requests a historie verzí

- Staff vytvoří Issue (Missing / Wrong / Corrupt / Other) a může poslat signed correction link platný 24 hodin.
- Nahraj jen požadovaný replacement replay set. Předchozí ZIP/verze zůstává dohledatelná.
- Correction vrátí submission do Archived k novému review; Issue se automaticky nezavírá.

Status a lifecycle

- Archived = upload je uložený a čeká na staff review.
- Reviewed = staff submission přijal; přesně linked official Match se nastaví na COMPLETED.
- Změna submissionu z Reviewed Match automaticky znovu neotevře. Reopen je explicitní admin Match edit.

Common messages a po každém CW

Rychlé odpovědi na situace, které hráči a kapitáni vídají nejčastěji.

MESSAGE	CO UDĚLAT
Duplicate / completed submission exists	Stejný completed matchup znovu neposílej. Ověř league, division, round a týmy.
Matchup does not match schedule	Relevantní při Schedule Mode ON. Vyber přesný eligible official Match nebo kontaktuj staff.
Replay Validation ERROR	Jeden nebo více souborů neprošel hard validation pravidlem; nahraď problematické replaye.
Metadata WARNING	Replay může být validní; parser nemusel načíst všechna metadata.
Uploads locked / final season	Běžné uploady jsou zavřené. Pokud je potřeba correction, kontaktuj staff.
Lost receipt	Použij Submission ID v /lookup. Pokud nemáš ani ID, kontaktuj staff.

Po každém CW

- Nahraj kompletní replay set.
- Ulož si Submission ID / receipt.
- Ověř Lookup nebo league archive, pokud je dostupný.
- Sleduj Captain notifications, pokud máš Team Portal účet.
- Použij correction link od staffu místo nového nesouvisejícího duplicate uploadu.
